Amy,

I'll be around, but due to another assignment, only for the first couple of hours in the work day Hawaii time (probably until around 3:45pm EST).

Some of the edits are the same as the last time around (I think they just got missed), and I tried to rewrite myself where I could.

Thank you for your quick turnaround. We will review your comments and let you know if we have any questions or need further clarification.

Chris, Are you available tomorrow if we have questions?

Here are my second round of comments. Many are just reiterating comments they missed the first time around.

Thanks,
